Dryvit Systems, Inc. has been the leading manufacturer of component products for exterior insulation and finish systems (EIFS) for over twenty years. As part of Dryvit's commitment to excellence in the products it manufactures and sells, a warranty is available from Dryvit, that its products, when installed in accordance with Dryvit specifications shall be free from defects in materials for a period of ten years. Certain limitations and restrictions apply. Dryvit's warranty does not apply to, nor does Dryvit by issuing this certificate assume any responsibility for the workmanship associated with the installation and application of EIFS. It is the responsibility of the contractor listed on the front of this certificate to insure that all its employees are properly trained with respect to the installation and application of EIFS. If you have any questions concerning the foregoing, please write to:
